

Teams behind the teams

Mesquite Senior Games

Aristotle had it right when he said “the whole is greater than the sum of the parts.”

Individuals coming together with different skills and qualities, that when combined, result in something better than the individual parts.

That is precisely what makes Mesquite Senior Games successful at offering quality athletic competitions for people 50 and better. It's true our Games couldn't happen without the support from our City and other venue hosts such as Sun City, Mesquite Gaming and others, but the real support and driving force behind this nonprofit are the volunteer team members that give their time and expertise. Without our volunteer team members, Mesquite Senior Games could not exist.

We've been blessed with many volunteer team members over our 20-year history that continue to show up season after season to help us make our Games a success.

As we prepare for our 2021 Fall Season, we are looking for volunteer team members to not only help us continue our mission to promote the health and fitness of anyone 50 and better, but to also help us add new programs, events, and value to our organization and the citizens we serve. Want to get involved?

You may become as engaged as you want, from a few hours a year, to

several hours per week. Our need is especially great during March/April and October/November when we run most of our Games.

It's a fun way to be involved! We provide all training but we also want to learn from you. Let us know what days, hours, and type of activity you are interested in and we'll find a way for you to be a valued part of Mesquite Senior Games.

Volunteer team members perform a variety of different tasks depending on their interests, talents, expertise, and physical limitations. Here

are some volunteer activities and skills we need:

- Registration and check-in tasks
- Staging events-setting up equipment
- Serving up healthy lunches
- Scoring and timing
- Graphics arts
- Grant writing
- Merchandise sales
- Event Directors for Track and Field and other competitions we may add

Check out our website at www.MesquiteSeniorGames.org and go

to the Volunteer page under the Get Involved tab. There you can register as a volunteer and tell us what you would like to do, when you are available, and any physical limitations you have.

If you would like more information please email Beth Caplinger, our volunteer coordinator, at volunteer.mesquiteseniorgames@gmail.com or call 702-345-3347.

Mesquite Senior Games is a 501(C)3 nonprofit organization funded completely through sponsors, donations, and registration fees.
