ALL VOLUNTEERS

It takes an army of volunteers to coordinate the nineteen events MSG presently has in their 2020 line up of competitions.

During the pandemic when much of the world has been closed and gatherings are limited, MSG has managed to keep senior citizens in Mesquite healthy and active despite the challenges.

Thank you MSG volunteers and their General Amy Bradshaw for not caving to Covid and keeping our seniors fit and having fun. You are an active army of heroes and heroines
